FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (006434): Deletes all language after the enacting clause. Prohibits the State Election Commission, Secretary of State, Coordinator of Elections, county election commissions, and local Administrators of Elections from accepting funding from a source other than a public governmental entity. Prohibits such parties from accepting any grant, gift, or funding from private persons, corporations, organizations, or political parties unless the acceptance is approved by the Speakers of the Senate and House of Representatives. Establishes that the prohibition does not apply to election information advertising, donation of a location for voting purposes use, volunteer labor by citizens, or nominal items.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- The proposed legislation establishes approval requirements for nongovernmental entity funding provided to election officials in this state.
- The proposed legislation is not estimated to impact the ability for state and local election commissions to carry out their statutorily required duties.
- The Speakers of the Senate and House of Representatives can approve acceptance of nongovernmental entity funding throughout the year within existing resources.
